I looked at that claim 21 (it seems to have a different date than the date you specified). As far as class 264 is concerned, I would place it in 264/46.6 although I suspect it also belongs elsewhere in places unknown to me.

Dear Mr. Kuhns,

I inherited this pending case from an Examiner who left the office. Mr. Eashoo suggested I ask you if you knew where the most recent claims go (dated 4/10/06) and if not who should I ask. Thank you in advance.
